

MEDICATION AIDE

6 RIGHTS

You've Got This!

Safe
Care
Starts
with
You!

Small
Steps
Make a
Big
Difference!

1 Right Resident

Mr. James

Check the resident's
name, photo and
ID band.

2 Right Medication

Check the medication
name, look alike/sound alike
and expiration date.

3 Right Dose

Check the correct
amount (dose) and
route (by mouth, etc.).

4 Right Route

Give the medication
by the correct route
(oral, topical, etc.).

5 Right Time

Give the medication at
the correct time and check
for special timing instructions.

6 Right Documentation

Document immediately
and accurately. It's part
of the care!
